## PremiumClassic

Interior Acrylic Latex Wall Coatings

The premium Classic Family of interior wall coatings has been a cornerstone of Cloverdale Paint's architectural product assortment for multi-generations. It is one of Cloverdale Paint's most often selected coatings by professional painters and do-it-yourselfers alike for both residential and commercial paint applications.

- Ideal for new construction and residential repaints
- Low odour and fast dry application properties
- Splatter resistant
- "Regular solids" formulas are available in full range of custom colours
- Available in multiple gloss levels
- Hi solids formula provides additional hiding & opacity

**Meets and exceeds MPI (Master Painter Institute) certification standards**
