

A-66

Urethane Accelerator

General Properties

A liquid stir-in additive which is designed to initiate the chemical reaction and advance the cure time of two component urethanes at temperatures as low as 5°C (41°F). A-66 will accelerate the cure time at low temperature but can reduce pot life dramatically. Do not use at temperatures above 25°C (77°F).

Recommended Uses

Use at recommended levels in ArmourShield 2K Urethanes.

Product Information

GENERIC TYPE

Metallic Soap

AVERAGE VOLUME SOLIDS

8%

AVERAGE WEIGHT SOLIDS

10%

INDUCTION TIME

20 Minutes

POT LIFE

See chart

V.O.C.

956 g/L or 7.96 lbs/gal

Mixing Instructions

- In the ArmourShield 83500A series do not exceed 60 drops A-66/US Gal
- In the ArmourShield 83700A series do not exceed 15 drops A-66/US Gal
- In the ArmourShield 84700A series do not exceed 90 drops A-66/US Gal
- A-66 does not affect pencil hardness.
- A-66 reduces dry time and pot life dependent on mass added.

Limitations

Do not use at temperatures less than 5°C (41°F) or greater than 25°C (77°F) for best results

Safety Precautions

This product is for industrial use only. **Refer to safety data sheet for proper health and safety instructions**

Warranty Disclaimer

Cloverdale Paint Inc. warrants its products to be free from defects in material and workmanship. At its option, Cloverdale Paint Inc. will either replace products not conforming to this warranty or credit the Buyer's account the invoiced amount for the non-conforming products. This is Cloverdale Paint Inc.'s sole obligation and Buyer's exclusive remedy in connection with the products. In no event shall Cloverdale Paint Inc. be liable for special, indirect, consequential or incidental damages.

By purchasing this product the Buyer accepts this warranty in lieu of all others, and waives all claims to any other remedy arising from any warranty or guarantee of quality, whether such warranty or guarantee of quality was made expressly to the Buyer or implied by any applicable law.

Any claim under this warranty must be made in writing by the Buyer to Cloverdale Paint Inc. within ten (10) days of discovery of the claimed non-conformance, but in no event later than one (1) year from the delivery date. The Buyer's failure to notify Cloverdale Paint Inc. of such non-conformance as required herein shall bar the Buyer from recovery under this warranty.
